Be a part of GEC....
Realize your dreams

The Career Fulfillment Cell at GEC focuses on managing various career development activities for aspiring students. During their stay at GEC, the cell acts as a partner for students. Career Fulfillment Cell also focuses purely on generating opportunities, organizing various campus placement and internship opportunities by liaisoning with industries, counseling students for bringing clarity about their goals and also nurturing them for enhancing their personality.

Career Fulfillment Cell conducts a number of activities on the campus to prepare students for the extensive placement processes. The activities include interview preparation, career counseling, mock GD and more. The Cell not only focus upon preparing students for campus selection but also make them ready for different competitive examinations like GATE, GRE, ESE, IAS, OAS etc.

Objectives:
### The prime objectives of the Career Fulfillment Cell is
 * To look for 100% employment for all students.
 * To recognize the core competencies of the students.
 * To train the students to meet the expectations of the industry through different Career Development Programmes.
 * To build confidence in students and develop life skills in them.
